- **Weight:** 1.34 kg
- **Packaging dimensions (W x H x D):** 248 x 224 x 212 mm
- **Weight incl. Packaging:** 1.94 kg

## Product highlights

### wOOx Technology

wOOx Technology is a revolutionary loudspeaker concept that allows you to hear and feel fantastically deep bass that's louder than any other audio system. Special speaker drivers work in harmony with the wOOx bass radiator, and precise tuning between the main driver and the tweeter ensures smooth transitions from low-mid to high frequencies. Dual suspension and a totally symmetrical sandwich construction deliver low and precise base without noticeable distortion. wOOx produces exceptionally deep and dynamic bass by using the speaker box full volume to truly magnify the impact of the music.

### Aux-in connection

### Wake up to iPod music

### Digital tuning for presets

### 5 one-touch radio presets

Access your favorite stations with simple one touch operation
